

LIQUIGREEN

28-0-0

28-0-0 CRN is a controlled release nitrogen source for heavily used turf areas. Nitrogen is supplied in a polymethylene urea blend which has demonstrated superior plant growth response compared to other sources of N in controlled studies. **28-0-0 CRN** provides uniform turf growth without surges and declines, and consistently good color. **28-0-0 CRN** is formulated for foliar application because of its low burn potential (even at high rates), and can be applied in substantially lower volumes of water because of its extremely low phytotoxicity. It is also compatible with most herbicides and pesticides.

Benefits of Use

- Low burn potential
- Slow release nitrogen for more consistent growth and color
- Enhanced nitrogen uptake and tissue nitrogen levels from humic acid
- Minimum growth surges and declines

Problem Conditions Improved with 28-0-0 CRN

- Growth surges after heavier nitrogen applications
- Inconsistent nitrogen response on sandy soils
- Loss of nitrogen in highly leached soil

Guaranteed Analysis

Total Nitrogen (N).....30.00%
 22.20% Water Soluble Nitrogen*
 7.80% Urea Nitrogen

Derived From Urea, Polymethylene Ureas, Monomethylol Urea, and Methylene Diurea.

*This product contains 22.20% slow release nitrogen from Polymethylene Ureas, Monomethylol Urea and Methylene Diurea.

Physical Characteristics
10.60 lb./gal. (2.97 lb. N/gal.); pH 9.1

Application Instructions

One gallon of 28-0-0 CRN contains 3.0 lb. of nitrogen. For 1 lb. N/1000 sq. ft. of turf apply 1/3 gallons of product diluted in 2.5 gallons of water per 1000 sq. ft. or 14.5 gallons of product diluted in 100 gallons of water per acre.

Shake well before using.

PACKAGE AVAILABILITY

28-0-0 CRN is available in:

- 2.5 gallon (2 per case)
- 5 gallon pail
- 30 gallon drum
- 275 gallon mini bulk

CONDITIONS OF SALE

1. Douglass Fertilizer & Chemical, Inc. (DFC) warrants that this product consists of the ingredients specified and is reasonably fit for the purpose stated on this label when used in accordance with the directions under normal conditions of use. No one other than the officer of DFC is authorized (and such authorization must be in writing) to make any other warranty, guarantee or direction concerning this product.

2. Because the time, place, rate of application, weather conditions and normal or abnormal conditions of use or storage are beyond DFC's control, DFC's liability is limited to replacement of product or refund of purchase price. In no event shall DFC be liable for indirect or consequential damages.

Handling and Storage

Store between 40-95° F. Avoid direct heat or fire. Decomposition may occur at high temperatures (above 225° F.). Do not freeze!

Keep out of reach of children. Harmful if swallowed. Avoid inhalation, eye contact, or ingestion. Avoid prolonged or repeated contact with skin which may cause irritation. Wash thoroughly after handling. Corrosive.
